COUNTY OVERPAYS PLEDGE TO UNITED WAR WORK CAUSES

Mason County Pays \$188 More Than
Had Been Pledged to United War
Work—County Treasurer Is
Highly Complicated by
State Director.

Mason county has always over-subscribed its apportionment to every war campaign but it has a unique record in the United War Work Campaign according to a report just received by Mr. R. A. Cochran, a member of the State Campaign committee, from Mr. C. A. Tevebaugh, of Louisville, State Campaign Director. Mason county not only over-subscribed its apportionment in this campaign but overpaid its over-subscription.

This fact is due, in a large measure, to the splendid services rendered these worthy causes represented in this campaign by Mr. James Threlkeld of the Bank of Maysville, who was Treasurer of the campaign in Mason county.

In his letter Mr. Tevebaugh says: "We have just had such a fine letter from the County Treasurer of the United War Work, Mr. James Threlkeld, that I want to tell you about it and how much we appreciate his fine efforts."

"Your county quota in the first place was \$25,807.00. Your friends were good enough to subscribe \$30,826.00 and the report of Mr. Threlkeld, which has just reached us indicates that he has collected \$31,014.00, or \$188 more than the amount subscribed. This is a great record and is a credit to both Mr. Threlkeld and Mason county."

WRECKED FREIGHT CAR IS BURNED

An extra east bound freight train with an entire train of bad order cars came near wrecking in Front street near the foot of Sutton early Saturday morning when the air brakes were applied too quickly and one car—a wooden gondola—was broken into pieces. The car was dumped over the bank by the wrecking crew and burned.

SCHOOL SHOWS WONDERFUL GROWTH THIS YEAR

Prof. John Hurst Adams, the bustling principal of the Minerva High School, was in Maysville on business Saturday. Prof. Adams reports a wonderful growth in his school this year over last. The enrollment in the high school shows a 50 per cent increase and every girl student in the High School has been present every day since school opened.

DEMAND TO SEE BOOKS OF STATE FAIR

State Republican Campaign Chairman
Threlkeld Sued If Request Is
Refused.

Louisville, Ky., Oct. 10.—Demand that the books of the Kentucky State Fair, access to which has been refused to be made available for inspection to the public and notification that suit will be entered immediately to force submission of the books if the refusal continues, were contained in a letter sent to Mat Cohen, Commissioner of Agriculture, by Chesley H. Searcy, the chairman of the Republican State Campaign Committee, tonight.

The formal demand on Commissioner Cohen to allow accountants representing the Republican Committee to inspect the fair records followed the refusal of Fount Kramer, State Fair secretary, to turn the books over for inspection without a written order from Cohen.

When demand was made several days ago that citizens be permitted to see the State Fair books, Mr. Cohen took the position that the "State Fair records were not public records."

Later he indicated that the permission would be forthcoming and he left the city without granting it. As a result Kramer still refuses to let the Republicans see the records, Searcy asserts. In his letter, Mr. Searcy sets forth that the records are public records, open to any citizen, and that it is thoroughly within the right of any citizen to know what his public institutions are doing and how they are managed, as shown by the record.

GOES FREE ON CHARGE OF DISTURBING GATHERING

Harry Best, of the county, was before Squire Fred W. Bauer and a jury this morning on a charge of disturbing a public gathering. It was alleged that young Best and others engaged in an argument and fight at Minerva a few evenings ago when Minerva and Fern Leaf were playing a game of basket ball. The jury found the young man not guilty of the charge and released him.

GERMANTOWN DEFEATS MT. OLIVET FIVE

Germantown High School defeated Mt. Olivet High School in a game of basket ball at the former's court Friday evening by a score of 30 to 17. There is much interest being displayed in basket ball between the schools of this and adjoining counties. There will be a game between Minerva and Washington at Minerva on next Saturday night.

FIRST LECTURE TO BE GIVEN ON NEXT TUESDAY

First Lecture in Community Club
Series to be Given at Terpsichorean Club Rooms.

The Terpsichorean Club has generously offered its club room to the Maysville Community Club for Tuesday evening, October 14, when Dr. Edward West of the University of Kentucky will deliver a lecture on "Hours of Labor and the Minimum Wage." For the evening this beautiful, comfortable room is the home of the Community Club and every one in the community should feel at home.

Maysville greatly needs an Assembly room comfortably seated, heated, and lighted, with a stage and a piano for all kinds of community gatherings. It is difficult for people to get together when they have no common meeting place. It is difficult to cultivate community spirit without a Community Center. It is difficult to develop local talent without a proper place for its expression.

Perhaps when the Public Library is remodeled it will be provided with an Assembly Room as most Public Libraries are now provided.

Purchance we shall decide that a Community Center is the best memorial for our war heroes.

Perhaps we may in time come to believe that the school buildings, erected by public taxation, should serve the people in the evening as well as during the day, that the auditoriums will last as long if used every evening for an hour or two by the older people for their education and entertainment as the class rooms will last, used every day for six hours by the children. Provision could be made to meet the expenses of janitors service, light and heat, though the people who make use of the room in the evening would be the same people whose taxes pay the expenses for day service.

In this rapidly moving age people have need to continue their education after the days of graduation from school and the open forum of a Community Center would furnish an opportunity for this continued education.

But until the day arrives when we shall have an Assembly Room which is the property of all the people, let us gratefully accept the generosity and courtesy of the Terpsichorean Club in offering the use of its room for Tuesday evening.

There will be two musical numbers and a story, which gives the key note of the Community Club, as a prelude to the lecture.

The subject is of interest to every one and Dr. West should have a good hearing.

MANY AT MAYSLEICK TODAY

The Maysleick Community Club is today holding a great home coming celebration in that bustling little town in honor of their returned soldiers and sailors and quite a number of people from this section of the county are in attendance. Hon. Thomas D. Slattery, of Covington, makes the chief address of the day.

BIG MUSICAL SHOW MONDAY AT WASHINGTON

Another Great Musical Comedy to be
Given at the Washington Theatre
on Next Monday Evening.

"Oh, My Dear," the sixth New York Princess Theatre musical comedy success, will be presented at the Washington on Monday, October 13, by F. Ray Comstock and William Elliott. Were the names of the producers not guaranteed enough of the excellence of the piece one might add the fact that it enjoyed an uninterrupted run of a year before the most critical audiences New York could produce, without so much as one dissenting vote as to its superiority. Guy Bolton and P. G. Wodehouse has provided in the book and lyrics some of the funniest situations and most brilliant wit ever heard on the stage, and the melodies with which Louis A. Hirsch has adorned "Oh, My Dear" are destined to a long and popular existence. Estelle Keyes, Mildred Donnelly, Rollin Grimes, Spencer Chartis, Olive Shelly, Wayne Nunn, Earl Reading, Martha Volight, Del Marie, Helen Frances and a Princess Theatre chorus of pretty girls are among the favorites who are in the case. The chorus was personally selected by F. Ray Comstock, who made a country-wide search for young, pretty and talented girls for this production. It is the consensus of opinion that his search was notably successful. "Oh, My Dear" has turned out the most popular of all the New York Princess Theatre offerings.

PIGEON MAKES IT SAFELY HOME IN SHORT TIME

The carrier pigeon which was released from the Public Ledger building a few days ago arrived safely at its roost in Dayton that afternoon according to information received here today by Mr. Fred Cablish, Third street grocer, from the owner, Judge James J. Staley, of Dayton, Ohio. Judge Staley arrived at his home that afternoon about 4 o'clock and the pigeon was in the trap. Just the hour of its arrival is not known but it is thought to have arrived in Dayton about 2 o'clock in the afternoon.

WOMAN SUSPECT IN ROBBERY CASE WILL FACE GRAND JURY

Mary Hawkins, colored chamber maid at the Central Hotel who was arrested as a suspect in the alleged theft of \$750 a few days ago, was released in Police court Friday afternoon on her own recognizance in the sum of \$100 for her appearance before the next session of the Mason County Grand Jury for further investigation. There is little but circumstantial evidence against the woman and the man who is alleged to have lost the money failed to appear against her yesterday.

STEAL TOBACCO STICKS FROM MAN AND SELL THEM BACK

A few days ago Mr. Samuel Middleman, local junk dealer, loaned to Officer P. Ryan a number of tobacco sticks upon which to hang his crop of tobacco grown this year near the Hunter mill. Among the sticks were quite a number of half-inch gas pipes cut in proper lengths to make tobacco sticks. These sticks were hauled to the Ryan tobacco patch and last night some thieves stole the metal sticks and this morning sold them to Mr. Middleman. It's seldom that a man buys goods which have been stolen from him.

BAND MAKES IT'S GREATEST SUCCESS AT BIG OHIO FAIR

Maysville Boys' Band Makes Friday
the Greatest Single Day in the
History of the Famous George-
town (O.) Fair.

Friday's trip to Georgetown, where they made music for the big Brown county fair, was probably the most successful trip the Maysville Boys' Band has yet ever made away from their home city and Manager Russell and Leader Young have every reason to feel proud of the record they made.

There were 37 members of the band on Friday and they were carried to Georgetown in two large trucks and 5 touring cars. When the band gave their first concert in the band stand at 10:15 a. m. they made a great hit with the people and the officers of the Fair Company. President Stevens and four of the directors carried the band all over the grounds in concerts and they took the crowd by storm.

Secretary Quinlan, in signing the band for Friday stated that was always their slowest day and that he signed over the band for that day to send it over the top. At the close of the day, the Secretary showed his records to Manager Russell which disclosed that there had been 15,000 paid admissions on Friday—the largest single day in the history of this old fair.

Director Young, who is a native of that section, met many of his old friends and Manager Russell received many compliments on his fine juvenile organization. The band is today at Augusta where they are making music for a great soldiers and sailors home coming.

GOVERNOR GIVES HIS ENTIRE ATTENTION TO ED MORROW

That Edwin P. Morrow, the Republican candidate for governor of Kentucky, has Governor James D. Black's number was very noticeable at last night's Democratic meeting at the court house when Governor Black and Senator Harris, acting lieutenant Governor spoke and spent all of their time endeavoring to answer Mr. Morrow's criticism of the Stanley administration. There was a good crowd out.

Mr. L. N. "Dad" Harvin, of Louisville, Field Agent of the Kentucky Children's home, was in Maysville Saturday in the interest of the home and addressed the Mason County Teachers at their monthly meeting.

Maysville and Mason County School
Teachers Start Organization of
Federation and Select Mays-
ville Superintendent as
Head of Organization.

Quite an interesting meeting of the School teachers of the Maysville city schools and the Mason county schools was held at the county court house today when a movement to organize the teachers in all of the schools of Mason county into one great federation was started.

Although the weather was very disagreeable, there was a very goodly number of teachers present at the meeting and there was much interest displayed in perfecting such an organization. After the purpose of the Federation had been clearly stated the teachers perfected the following organization:

President—Prof. W. J. Caplinger, Maysville Superintendent.

Vice President—Prof. G. C. Everett, Mayslick Principal.

Secretary—Prof. John Hurst Adams, Minerva Principal.

A committee on constitution and by-laws composed of three teachers from the city and three from the county was appointed. This committee is composed of the following: County: Prof. T. J. Curry, Miss Davis and Prof. Everett. City: Prof. C. S. Dale, Prof. W. T. Berry and Mrs. Ball.

The teachers will hold their next meeting at the court house on Saturday, November 1st when the constitution and by-laws will be presented for adoption.

Sapping the Public Schools of Kentucky

Taxes Going Up; Teachers Underpaid

Under Stanley Democratic rule, in the three years 1915-1918, the equalized value of all property assessed for taxation in Kentucky has increased the enormous sum of \$27,275,483.00. During the same period, the amount distributed by the state to the counties to pay the salaries of school teachers has only increased the pitiful sum of \$45,754.97.

Taxpayers, This Is Your Business

The new tax law making this huge increase in taxes was passed to raise more money for general state expenses, to pay off old debts and to give more money to the public schools. If this law has raised enough money to pay general expenses and to help pay off some old debts, why has the school fund not received a proportionate increase for the education of our children?

The School Teachers' Merry-Go-Round

The records show that in 41 counties in Kentucky, the salaries of school teachers were more in 1917, 1918 and 1919. They also show that in 71 counties the salaries were more in 1918 than in 1917 and 1918. This has forced hundreds of teachers to travel from one county to another seeking better pay to meet the high cost of living. In one county in Kentucky, out of 104 teachers last year, only 22 returned this year. In another county only seven out of 48 returned. In another county only 5 out of 95 returned. In one of the largest and best counties of the state only one rural teacher has not changed location within the past five years.

Holding Up the Teachers' Pay

In the same month that Governor Stanley approved the law cutting down the teachers' salaries, the state owed the teachers for back pay, \$548,372.00. Three months later this amount had jumped to \$1,452,897.94. On June 30, this year, the state still owed the teachers for back pay \$698,434.57. In 1917, the first month's salary was paid in October after three and a half months of teaching. The first payment was not made until August, 1919, eight months after the close of the season. Last year, a law was passed to remedy this, but at that salaries are still running late. In addition to having their salaries cut, the teachers also have their pay held up.

Cutting Down the School Year

Three months after Governor Stanley signed the bill cutting down the teachers' pay, the school year was cut from 7 months to 6 months. The children were deprived of a whole month's schooling. This year, the school year ending June 30, 1920, was kept 6 months instead of being put back to 7 months, thus depriving the children of another month's schooling. Twelve months' schooling in two years in place of 14 months.

Gilbert's "Sore Toe" Book

Supt. Gilbert's printing bill is costing the taxpayers three times what they paid under Governor Willson (Republican). Among the books paid for by the taxpayers at a cost of \$15,000, was the famous "Sore Toe" book, compiled by the equally famous Dr. W. L. Holser, whose "Physiology" was ridiculed by the leading Democratic newspapers of the state. This "Sore Toe" book tells little Johnny how to wrap up a "puncture" in his foot, warns little Annie not to get more than once a day, calls on dad to shave off his whiskers, advises mother to wash an egg before boiling it, and demands the killing of all dogs and cats.

Stanley O. K's Pay Cut

In 1918 a Democratic legislature passed a law and it was approved by Governor Stanley, March 18, 1918, cutting down the amount of money for school teachers' salaries from 28 cents to 18 cents, and many teachers were forced to quit their jobs altogether or to seek positions in other states.

Gilbert's Extravagance

The minute Supt. Gilbert got into office he began filling up his own office, at Frankfort, with clerks and stenographers. The salaries in his department have gone up to three times what they were under Governor Willson (Republican). The Democratic legislative probe committees of 1918 condemned the Bureau of School Inspection for giving salaries to people who did no work, but there has been practically no change. Morrow will change it.

Text Book Commission Farce

The Stanley Text Book Commission charged most of the books in the grades and would have soaked the parents of the children \$650,000 more for their books, but the whole adoption was thrown out by the Court of Appeals. Urged by leading Democrats all over the state to also throw out the Text Book Commission, Governor Black turned a deaf ear and by the time a new adoption was made the publishers were so delayed that many schools have been forced to get along with old books, and some of them won't get the new books at all for proper work this year.

Catarhal Deafness Cannot Be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When the tube is inflamed you have a rumbling sound or impaired hearing, and when it is entirely perfect hearing is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surface. Hall's Catarrh Medicine acts thru the blood on the mucous surface of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, etc.

CHIROPRACTIC TALKS No. 5

When The Child is Sick

Who has not felt the pull at the heart-string when the little one's cries of distress and pain rent the home? We do what we can to bring relief. Often there is much guess work—and local treatment is given for temporary comfort.

But to bring permanent relief we should go back of the effect and strike at the cause and invariably it is found in the spine. Thousands of children needlessly suffer from spinal defects which press on the nerves that supply life energy to some part of the body. It is this pressure that is the cause of ailment now and in later years.

Parents who exercise forethought in preparing their children for an abundant, healthy future, will have the young and growing spines examined regularly by a competent Chiropractor. If any spinal defect is found, don't hope for the child to outgrow it, because it invariably becomes worse; but have the defect corrected in time and save much future trouble.

CHIROPRACTIC

THE BETTER WAY TO HEALTH

is wonderfully efficient in children's cases. Many weak, puny and undeveloped children have been brought back to health and strength through the aid of Chiropractic (ki-ro-prak-tic) spinal adjustments. Investigate Chiropractic and you'll immediately recognize its merits.

TERRIBLY SWOLLEN

Suffering Described As Torture Relieved by Black-Draught.

Rossville, Ga.—Mrs. Kate Lee Able, of this place, writes: "My husband is an engineer, and once while illing, he injured himself with a piece of heavy machinery, across the abdomen. He was so sore he could not bear to press on himself at all, on chest or abdomen. He weighed 165 lbs., and fell off until he weighed 110 lbs., in two weeks.

He became constipated and it looked like he would die. We had three different doctors, yet with all their medicine, his bowels failed to act. He would turn up a ten-cent bottle of castor oil, and drink it two or three days in succession. He did this yet without result. We became desperate, he suffered so. He was swollen terribly. He told me his suffering could only be described as torture.

I sent and bought Theodor's Black-Draught. I made him take a big dose, and when it began to act he fainted, he was in such misery, but he got relief and began to mend at once. He got well, and we both feel he owes his life to Theodor's Black-Draught."

Theodor's Black-Draught will help you to keep fit, ready for the day's work. Try it!

DO IT NOW

Maysville People Should Not Wait Until It Is Too Late.

The appalling death-rate from kidney disease is due in most cases to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms often give place to chronic disorders and the sufferer may slip gradually into some serious form of kidney complaint.

If you suffer from backache, headache, dizzy spells; if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.

Doan's Kidney Pills are especially for kidney disorders—they act where others fail. Over one hundred thousand people have recommended them.

Here is one of many cases in this vicinity.

Jas. M. Newton, Gum, St. Aherdeen, Ohio, says: "I have used Doan's Kidney Pills off and on for several years and have been greatly benefited. Whenever my back has been weak or when my kidneys have been too frequent in action, I have used a box or so of Doan's Kidney Pills, which I get at Wood & Son's Drug Store. They have always relieved me in a short time."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Newton had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

TUESDAY, OCTOBER 14,
10 O'CLOCK

In as much as I don't care to be burdened with the responsibility of looking after my farm at my time of life I have decided to offer it at Public Sale to the highest bidder on the above date. There is about 63 acres in the farm; situated in Mason County, Kentucky, in the Minerva precinct on the Big Pond Pike 6 miles West of Maysville; in Consolidated School District. This is a well improved small farm, in fact there is few like it in the county. There is a 6-room frame house, in good condition, stock barn and tobacco barn, with usual outbuildings, all buildings in good repair. Fencing is good, and there is an abundance of water for stock and family use even at this drought period. Possession will be given for seeding this fall and full possession march 1st, 1920. Land will be sold on easy terms. Sale will take place rain or shine on the premises, so be on hand if you want this desirable little farm.

You Ought To See the New Suits for Young Men

The young men who have already been in to look them over say "They've got the stuff in 'em." They're right, too. We believe they are the best clothes ever shown in this community—the best ever produced by THE HOUSE OF KUPPENHEIMER.

The new double breasted designs with high shoulders are high favored. So are the stylish single breasted. Some have belts, which can be worn as full belts, as half belts, or not at all. The fabrics are new and interesting; the patterns and color tones cover a wide range. Better values now than will be possible later.

TELLS OF WASTE OF CASH AT FRANKFORT

Morrow Addresses Big Crowd in Mountain Metropolis; Pledges Honest Rule.

Whitesburg, Ky., October 8.—Pledging the mountain people of Eastern Kentucky to give the State a clean and businesslike administration, Edwin P. Morrow, in a speech here called upon Republicans everywhere to go to the polls and vote this fall to save him from again being "crucified in the house of his friends."

The speech was heard by 1,500 people, which, according to party leaders, was one of the largest audiences that ever gathered in Whitesburg to hear the speaker of any party. The speaking was billed for 10:30 o'clock, and long before that time the little county seat of Letcher county was filled to overflowing.

Mr. Morrow and his party arrived from Hazard at 10 o'clock and were met at the station by a big reception committee, headed by Felix G. Fields, chairman of the county campaign committee. Led by the Whitesburg band, in which were two overseas veterans in uniform, the party was escorted to the hotel. Later the band led the procession to the Letcher county armory, where the speaking was held. Mr. Morrow was introduced by R. Monroe Fields, commonwealth's attorney, as "the next Governor of

Kentucky." Owing to the limited time in which he had to speak, Mr. Morrow launched at once into a discussion of the issues which he declared of vital importance to every citizen of the commonwealth. He told of the broken pledges of the party now in power, and said that not a man in the State wanted four years more at Frankfort of the present administration. He said that taxes had gone higher and higher and that the Stanley-Black crowd had continued to multiply useless offices to reward some of their friends instead of reducing taxes as they had promised to do.

Maysville Woman Becomes Bride of Popular Steamboat Press Agent—Will Make Their Home in Maysville.

Mr. William T. Cosgrove, of Louisville, and Mrs. Jewell Lee Teagarden, of this city, were quietly married this afternoon at the parsonage of the Third Street M. E. Church by the pastor, Rev. Worth S. Peters and immediately following the ceremony they left over the C. & O. for Cincinnati, Indianapolis, St. Louis and Peoria, Ill., on a wedding trip.

The bride is the daughter of Mr. and Mrs. William Davis, of Limestone street and a very popular young lady who has a great host of Maysville friends having spent the greater part of her life in this city and county.

The groom is press representative for the St. Louis-New Orleans Navigation Company, operators of large excursion steamers. He is well known in Maysville having for several years been press agent for the Excursion steamer Homer Smith and later with the excursion boat Verne Swain.

While Mr. Cosgrove's headquarters are present at Peoria, Ill., where his steamer the "East St. Louis" is now being prepared for the summer season, he and his bride will make Maysville their home.

The many good friends of both the bride and groom extend hearty congratulations and wish them much happiness.
